Walla Walla County Announces COVID-19 Related Death
Reminder to Stay Home, Stay Healthy, Keep our Community Safe

Walla Walla, WA - Walla Walla County health officials were notified that a local woman in her 80's, who tested positive for COVID-19 passed away.

"We wish to express our deepest sympathy to woman's family and friends during this difficult time" said Meghan DeBolt, Director of Walla Walla County Department of Community Health (DCH).

Case Overview:

- Confirmed Cases: 749
- Recovered: 622
- Deaths: 5
- Active: 122
 - Home Isolation: 120
 - Hospitalized: 2

Case counts are subject to change as new cases go through case investigation and tracing. More information about cases, including community of residence, age and gender, can be found on the Walla Walla County Department of Community Health (DCH) [website](#).

Walla Walla County is currently in Phase 2 of Governor Inslee's 'Safe Start' plan. Additional information regarding the 'Safe Start' plan can be found on the Governor's [website](#).

As many in our community are feeling the stressful impacts of COVID-19, DCH would like to remind you there are resources available. If you need resources or support, please call the Community Health Helpline at 509.524.2647 (Daily | 8-5) or email them at health@co.walla-walla.wa.us. English and Spanish language assistance is available.
